

PUBLIC NOTICE

September 07, 2021

The City of Mosier and Union Pacific Railroad (UPRR) are working together to deconstruct and reconstruct the tire berm in downtown Mosier.

The objectives are:

- Removal of toxic material from the ground,
- Tree preservation.

This work is taking place along the south side of the UPRR property commencing immediately and continuing over the next 3 weeks (September).

Please avoid the area entirely and direct inquiries to the City of Mosier City Manager: Colleen Coleman

Colleen.coleman@cityofmosier.com 541-490-9758

Thank you for your patience and support of this very important toxic waste clean up effort.
