**Corrections or Additions to the minutes: N/A**

**Motion to approve the February 21, 2024**

**2<sup>nd</sup> Ron Wright Seconds the minutes from February 21, 2024**

**All in, no opposition, motion passes 6:42**

### **Dan Richardson**

City Council member in The Dalles, Oregon. Running for County Commissioner for a vacant seat, and has attended a few meetings live, and watched some on zoom and attended as much as possible. He will be continuing to reach out to City of Mosier City Council members and hoping to learn more and thanks all for their service.

Charlie Cannon: what are some of your topics in Wasco County that you are seeing as priorities?

Dan Richardson: large or small, regardless of diversity of our county, housing supplies, shortages are everywhere, water system and wastewater system strain, short term rentals, which ties back to supply of housing and character of our communities, and balance of tourism and livability and how each community is different in our large county. Wildfire of course is something that is a priority for all of the county/region. Agree or not on climate change (Klickitat County wildfire mitigation day job) – climate change is something we must deal with thoughtfully.

Logging issues?

Dan Richardson does not have the information to speak to directly, but willing to look into it and help where he can to better address it long term.

Mayor Anderson thanks Dan Richardson for his thoughtful participation.

Brenna Campbell: How long have you been in The Dalles etc? Community ties?

Graduated The Dalles High School and now back with family to raise children and be home. Volunteer capacity and council service is a priority for him. He will place his contact details in the chat and mute his phone for background noise.

**April 17<sup>th</sup> Current financials and status \*(budget performance)**

**May 15<sup>th</sup> Budget**

**June 15<sup>th</sup> Adopt**

**Lighting update: on track**

**RFP Update**

**STR Update**

**Mayor Anderson:** This is a big deal, this outline that Jayme did is going to be a big lift, and bringing back the options is critical, this is not something we can make light of.

Lack of residency in town and lack of water flow results in high chlorine or lack of water flow and we want to make sure the new purveyor ins

Elizabeth Payne is on the call and agrees her time and energy would be better boots on the ground organizational behavior and helping Jayme.

Motion for appointment of Noah Estes:

**Entertain a motion to appoint Noah Estes to fill Council Position #1**

**Acasia Berry**

**2<sup>nd</sup> Charlie Cannon**

**Discussion: N/A**

**No opposition, motion carries 7:35 PM**

**Jayme to coordinate Noah Estes on training etc.**

**Jayme to follow up with Acasia offline regarding flooding**

**Adjourn: 741 PM**
